

Conferencing

Anytime, Anywhere Conferencing for Your Business

Bridge the gap for your next meeting with our no reservation required conferencing service that can be accessed anytime, anywhere. nexVortex conferencing is available as a standalone service or can be added to your nexVortex SIP Trunking account. Access and track your conferencing minutes with real time billing and call detail reporting through your online portal. Take advantage of bundled minute rates as low as 4 cents per minute or use pay as you go conferencing.

Highlights

- › **Confidence:** Host your next meeting without the worry of being able to connect.
- › **Toll Free or Direct Inward Dial Access:** Choose between a toll free number or a local phone number to dial into your bridge.
- › **Flexibility:** Have a conference anytime, anywhere with no advance planning needed.
- › **Reporting:** Call detail reports and real time billing available through the nexVortex web portal.
