

# TOLL-FREE SERVICE

## TAKE ADVANTAGE OF HIGH-QUALITY, FEATURE-RICH TOLL-FREE SERVICE

Real-time billing, online portal control, and auto detecting disaster recovery routing are some of the features your business will appreciate.

Our aggressively priced service plans and toll-free bundles will help your company save money. Use nexVortex service with a SIP-enabled PBX, nexVortex-provided SBC with a PRI enabled PBX, or have nexVortex forward your toll-free calls to an existing phone number.

### IN ADDITION, WE CAN PROVIDE:

- ✓ Unlimited concurrent calls
- ✓ Porting of existing toll-free numbers
- ✓ Multisite failover
- ✓ Advanced toll-free routing features
- ✓ Domestic support
- ✓ One-click provisioning
- ✓ Vanity numbers
- ✓ RespOrg carrier services (VEX01)

### OTHER OPTIONS:

- ✓ 50K, 100K, 250K bundle packages
- ✓ Custom bundles available
- ✓ Add outbound or DID minute bundles
- ✓ Month-to-month options
- ✓ Add additional toll-free numbers (new or ported)
